COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

We received delivery of the new police cruiser on Wednesday of this week. It is a 1971 Ford equipped with the so-called police package consisting of special wiring necessary for extra lights, heavy duty suspension and electrical system, also several other modifications designed for the use the vehicle will be put to.

The town reports were delivered to the office Wednesday. They will be mailed as soon as we can stamp them. Taxpayers should receive a copy by the first of the week. The proposed dog ordinance is printed in its entirety within the report. This should be read very carefully as there will be many people affected if this is passed.

Another ordinance that is badly needed but will be unpopular when enforced is relative to placing snow on the streets and sidewalks. The typical reaction of an offender is expressed within the "letters to the editor" of this issue. The rules are always good until they apply personally.

Elwyn N. Dickey

Mrs. Harry Chase will return home today (Thursday) from Rumford Community Hospital where she has been a patient since December.

Mr. and Mrs. Guy Parker and family, Miss Beth Hanna of Devon, Conn., were week end guests of Mr. and Mrs. Ronald Stevens. Kim, Mitchell, Vicki, and Beth Hanna remained to stay this week.

REPUBLICANS SPONSORING LINCOLN DAY DINNER/DANCE AT TELSTAR, FEB. 20

Oxford County Republicans are sponsoring a Lincoln Day Dinner and Dance at Telstar Regional High School, Saturday, Feb. 20. Dinner will be at 6:30 p. m. with Ted Curtis, candidate for state chairman, as speaker. Dancing to music by the "Stragglers" will follow the dinner.

S. A. D. 44 DIRECTORS MEET IN REGULAR SESSION MONDAY

At their meeting on Monday evening of this week at Telstar Regional High School the S. A. D. 44 board of directors decided to permit transportation of student spectators to their home areas on busses provided for participants in activities at Telstar Regional High School. This applies to transportation provided at district expense after 6:30 p. m. Use by the student spectators is subject to a space-available basis and when no added cost is involved over and above participant use. This action was contrary to the recommendation of the transportation committee who felt such a plan contained too many potential problems.

The directors accepted the resignation of David M. Bishop as assistant superintendent effective March 8. Mr. Bishop is scheduled to assume the duties of superintendent in S. A. D. 74 (Anson area) on that date.

Richard Prescott of the Business Education Department at Telstar was approved as director of the Adult Education program for the spring semester.

Supt. Robert Gerardi reported that an inspector from the State Department of Insurance and a State Electrical Inspector had inspected the Woodstock and Locke Mills elementary schools. It appears that less modification will be needed on the physical plant than first thought, but that electrical work will be more extensive than anticipated. It was indicated that sufficient money was included in the proposed 1971 budget to complete the necessary work.

It was the decision of the board to cancel the regular board meeting scheduled for March as the date coincides with the majority of the annual meetings of member towns.

Board members absent Monday evening were: David Percival, Andover; Mrs. Joan Wiese, Bethel; and Milton Mills, Woodstock.

The next regular meeting of the board will be held at Telstar Regional High School on Monday evening, March 15.

I will pick up Auto Licenses again this year.

Because of demands on the Telstar Graphic Arts Department, it was not possible to produce a flyer for the S. A. D. 44 Adult Education offerings this semester. There are still vacancies in all of the course offerings, which are Art, Woodworking, U. S. History, Science, English in Communication, English Grammar, Machine Tools, Welding, Basic sewing, Phys. Ed for Women, and Typing 1.

At the meeting on Feb. 15, registration was accomplished as well as a general orientation. If any interested come out the week of Mar. 1 they will be able to enroll in the first meetings.

For further information contact Richard Prescott, S. A. D. 44 Adult Education Director, phone 824-2027 or 824-2461.

Alan Fuller and family were Sunday guests in town visiting relatives.

Larry Wade of Dover was in town over the week end.

Fred and Bea Jenkins went to Farmington, N. H., Monday to visit the Ben Lewises (Bertha). They returned by way of Fryeburg.

Florence Bernier was a week end guest at Berniers.

The heavy snow mixed with rain rained in the roof of the Bucks porch and the roof of Goodrums garage. Several from town attended the hearing in Berlin concerning mining in the Umbagog. It was reported that Dr. Chittum of Amherst, who has property on the lake, was present at the meeting.

Horace Goodrum and Stevie Laval-lee are both improved in health and have returned to their homes here.

NEWRY

Miss Amy E. Hanscom, Cor. — The annual Town Reports have now been delivered.

The Warrant for the annual Town meeting which will be held in the Grange Hall, March 1, at 7 p. m., contains 36 articles, all routine business.

The year closed with all accounts in the black. Total unexpended balances carried forward to their respective accounts were \$18,391.71.

Total receipts for the year were \$68,730.29, with \$47,872.77, paid out in Selectmen's warrants, leaving a year's end cash balance of \$19,857.52. It was not necessary to hire any money during the year.

From a total tax commitment of \$46,377.40, \$41,710.75 was collected plus \$132 in abatements and \$540.19 discount allowed leaving \$3,965.80 uncollected as follows: non-residents, \$3,236.80; resident, \$759. Of this amount, \$3,127.60 has been collected since Jan. 1, \$1,771.29 in back taxes were paid during the year, leaving \$13.04 unpaid.

Tax liens held by the town total \$383.90, \$33.21 plus \$12.22 cost and interest on tax liens was paid during the year. Excise tax collections for the year totaled \$4,022.89.

The proposed town budget for 1971 is \$9,215.44 compared to \$9,776.44 for 1970.

The town of Newry's share of the school budget for S. A. D. 44 was \$36,741 for 1970. The proposed S. A. D. 44 budget for 1971 lists Newry's share as \$36,770, making a total proposed budget of \$45,965.44 compared to appropriations of \$46,467 for last year.

It has been suggested that the Town appropriate one unit of State Aid money (\$333) to be matched by the State 2 to 1. This joint fund to be used with Town Road Improvement Funds to be expended on the Bond Road. This road leads to a camping and tenting area and is not adequate for such traffic.

This amount is not included in the budget, but it is recommended that the money be appropriated.

Willard Wight and son, Stephen, Stillwater, spent the week end with Mr. and Mrs. Fred Wight.

Mr. and Mrs. Appleton Ford, Gloucester, spent the week end at their camp here.

DON CHRISTEN

Bethel 824-5721

Senior Residence 824-7942

GREENWOOD CITY

Mrs. Colista Morgan, Corres. — We started our week with a strange sound in the funnel of our wood stove.

Sunday evening I first heard it and thought it was probably a bird. Monday morning it came again, a little scatching sound. We thought we'd have to remove part of the funnel but I first decided to look inside the stove. In the corner of the draft sat a small furry creature. I closed the draft thinking, "It's a red squirrel and somehow we must capture him." We tried but he scooted away and disappeared so quickly we couldn't locate him again. Therefore we presumed he must have dropped between the gas section and wood section to a place under the oven.

I did my washing then came back to see what I could now do.

I thought, "If he is under the oven he must be dead by now." I took off the front of the stove and proceeded to clean the ashes from underneath the oven. No squirrel! Thinking that he may have gone through the grates I removed all ashes. Still no squirrel! Now I was desperate. He must be found! So taking a flashlight, I tried again and again. At last I saw a bit of motion far back and at the corner of one of the projections near the gas end of the stove.

I called to Clyde who was working outside. We put on leather mittens and I took my little "hoe" and "hooked" him out meantime hoping he'd run toward us this time. Sure enough, he did. Clyde caught him in his hands. He wasn't a red squirrel but a flying squirrel!

Brushing the ashes away we could see the gray above and white underneath with delicate buff flanks, his fur soft and fine. Sitting with arms and legs enclosed in his loose skin and gliding membrane; he looked pudgy as if his coat were much too large.

Clyde placed him on the side of the garage. He scrambled down and over a bank of snow then up again and found a tree for himself.

At this point the birds moved in, three chickadees, two nuthatches, two blue jays and "Hairy." They flew about or perched near him; each calling and urging him to "Climb, climb, Do something."

He did. Going high up then extending his limbs, stretching the membrane, flattening almost into a square; his feather-shaped tale acting as a stabilizer to help make the upward swing on landing, he took off. Then when landing on another tree the same performance was repeated until he disappeared out back; the two jays diving and screaming above him. Then quiet. He must have found shelter somewhere.

He seemed a stranger to the birds, possibly because he is nocturnal.

Lucky for him that he chose our chimney where the wood stove is seldom used, otherwise he would have been the loser instead of the winner of the "show."

Miss Vicki Weymouth, Bridgton, spent the week end with Ann Holt.

Mr. and Mrs. Franze Mills, and son, Dale, and grandsons, Darrell and Ernest, Shapleigh, were at their cottage here for the week end.

Hena Bacon, West Paris, was a caller this week at Mr. and Mrs. Leonas Holm's.

Saturday visitors at Mr. and Mrs. Roland Hayes were Mr. and Mrs. Adam Waterhouse and daughter, Marcia Johnson, Portland; Duane Hayes and son, Scot, West Paris; Mr. and Mrs. Ardell Hayes, Au-

TELSTAR'S GIRL BASKETEERS TO CLOSE SEASON MARCH 2

The Telstar Regional High School girls' basketball team will play their final game of the season on Tuesday, March 2. This is a make-up game with Lisbon and will be played at the Telstar Gymnasium at 3:30 p. m.

On Feb. 11, the Telstar team lost at Winthrop High School with a 38-21 score. Janis Howe earned 19 points for the losers. The Winthrop J. V. team was victorious 17-14.

Hosts to Berlin High School on Tuesday, Feb. 16, the Telstar girls were out-distanced 37-21. However the J. V. preliminary was won by Telstar 9-8 in overtime play.

Telstar's most outstanding player, Janis Howe, who represented Telstar at the regional foul shooting contest at Lenoir last week end, finished fifth in a field of 22 contestants.

"When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; where a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns."

Bible citations include the Golden Text from Isaiah: "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the Lord for ever."

Services begin at 11 a. m. at First Church of Christ Scientist, Main and Tenth Streets, Berlin, N. H. All are invited.

Letters to the Editor

Editor
Bethel Citizen
Bethel, Maine 04217

O People of Bethel:

While visiting with our Freshman son attending Gould, we were treated last Saturday in a rather unusual manner. A cruiser had observed our parking for dinner at one of your local hostilities. In a few minutes it was announced in the dining room that our car was being towed away. It seems that there was a new "No Parking" sign we had not observed above the drive. Penalty: Without warning our car was towed away and \$15.00 was the release fee from a local garage. It hardly seemed a fair penalty to extract from an occasional guest in town. Appeal: I could see the Town Manager if I could extend my visit until Monday.

Surely only such treatment could be expected in a large impersonal urban area. Such action does not reflect the hospitality or intelligence of the people of the town of Bethel.

Baffled,

To the Editor:

It disturbs me as a citizen of Bethel that the Special Forces training in the area have been so cordially received.

I am living in Okinawa. Special Forces are being used here. This is also a point from which Special Forces go to and from other places in Asia. From direct observation and from numerous conversations with Special Forces men I am convinced that Special Forces are being used against the values and beliefs which we as American citizens have fought for.

From my position as military counselor I talk to many Special Forces personnel who have been active here and elsewhere in Asia. Many are extremely disillusioned.

with the military and our presence in Asia. Because of the inhuman actions which they have witnessed and have been ordered to perform, many are searching desperately for ways to leave the military.

Among Okinawans Special Forces are infamous. Okinawa is under military control; it's entire foundation has been based upon the presence of the U. S. military. We use this power in very un-American, ruthless ways. Okinawans protest when we take their land, move poison gas through their villages and fire large numbers of workers who we have made dependent on our money. It is the Special Forces that are used to physically put down the men, women and children who are fighting for basic rights guaranteed Americans and Okinawans alike under the U. S. constitution.

Next time the Special Forces train in Bethel imagine that they are a foreign army. Imagine that they are permanently taking your farming land for their use (as they do in Okinawa). Maybe you will feel the pain I do when I realize Maine fields, pine trees, and people are directly contributing to destruction and oppression of the people of Asia.

Voters of Bethel

I am presenting myself as a write-in candidate for School Board, as a representative of Bethel, not Gould Academy. I feel that the Town should be represented by an interested member not by someone seeking a status symbol. I am not presenting myself as a cure-all to the rising cost of education, but as a taxpayer. My prime interest is in efficient operation at a reasonable cost. Yes, we need education for our children but not at a rate that jeopardizes our existence.

The only definite promise I can make to you, the voters, is that I will attend meetings and carry out my duties with logic and understanding.

For honest and fair representation on the School Board, I am asking you to write in my name, Christen Angevine, on the School ballot.

Respectfully yours,
Christen J. Angevine

Bethel, Maine
Feb. 17, 1971

After serious consideration and thinking of the duties of a citizen, I have decided to be a candidate for the vacant office of selectman and assessor in the upcoming election March 1.

I was born and raised in Bethel, and knowing the town, feel that I can offer constructive assistance and leadership in town affairs.

With the busy schedules of every day today, it is becoming more and more difficult to find time and energy necessary to fulfill civic obligations.

For those interested in my election to this post, I will be pleased to have your written vote and if elected will serve to the best of my ability.

BASKETBALL: CLASS D

by Kristan Larson (Western Maine) and Phyllis Harmon (Eastern Maine Corres.)

The new Western Maine Class D ratings are out. The Eastern Maine list isn't. For Western Maine D it is Mt. Abram, Valley High, Erskine, Gould, Wiscasset, Wells, Dixfield, and Jackman in that order.

Tournaments begin next Monday for Eastern and Western Maine D. There should be plenty of action at Bangor and Auburn all next week.

Eastern Maine Results: Ashland downed Limestone, Jonesport-Beals dumped Oakfield, Narraguagus lost out to Woodland, Washington Academy won their last game over Woodland. Eastern was dumped by Limestone. Stevens clobbered Higgins. Island Falls lost to Hodgdon and Penobscot Valley. Eastport beat Woodland.

Western Maine Results: Mt. Abram won over Fryeburg. Gould beat Dixfield, Wells lost to Traip and Kennebec. Dixfield downed Buckfield, but they were dumped by Jackman. Christian was also dumped by Wiscasset. Erskine lost to Mt. Blue. Vinlandhaven beat Richmond.

Game of the Week: No. 2 Washington Academy (in Eastern Maine D) took on No. 1 Sumner (in E. Me. C) for a real big game in Eastern Maine D action. The game took

Peggy Crosbie

Margaret A. Crosbie is a candi-
date for election to the S. A. D. D. 44
Board of Directors for Bethel. She
is the daughter of Mr. and Mrs.
Albert P. Davis of Greenwood and
graduated salutatorian of the class
of 1962 from Gould Academy. In 1964
she married William Crosbie and in
1966 became a graduate of Los An-
geles Valley College. Mrs. Crosbie
is the mother of five-year-old Eliza-
beth and three-year-old Garrett. Pre-
sently, she is roommother, volunteer
librarian and active member of P.
T. F.

Mrs. Crosbie believes that there
should be at least one female mem-
ber of the board for reasons of di-
versification of points of view. She
also feels that the importance of the
elementary schools, which help rear
the children during the formative
years, has been dwarfed by the
many issues concerning Telstar Re-
gional High School. Most important
of all, Mrs. Crosbie would like to
try to bridge the communications
gap between the Board of Directors,
citizens, teachers, and students, so
that all the groups can work more
effectively toward the common goal:
the best possible education for our
children at the most efficient cost.

Charlie Mills, who is attending
Plus-Gray Business School, Port-
land, has been named to the Dean's
List with high honors for the first
semester.

MAGALLOWAY

Mrs. Bessie Harvey, Corres.

Mrs. Charlotte Ronish of Schen-
ectady, N. Y., called on me
Sunday evening. She was on her way
to visit Mrs. Helen Cameron at
Rumford and planned to go back by
way of Rumford. She said there is
more snow in New York than here.
The Eastman and Kenney chil-
dren have been ill with the "flu"
lately but are better.

My grandson, Frederick Abbott and
family were in Vassalboro and Sid-
ney, Maine, over the week end.
The ice on roofs is melting and
running water inside walls and be-
tween windows every day when the
weather is warm enough.

Everett Eames of Errol who re-
turned home recently from the
Hanover hospital is improving slowly
in health.

Three of my kittens are recover-
ing from distemper but are not well
yet.

The snowmobiles are very plen-
tiful. The ones going up Diamond turn
in my yard. Some cars have trailers
behind with four snowmobiles on.
They are very colorful, mostly red
and yellow.

My two telephones have been out
of order for four days now. A re-
pair man was called but has not ap-
peared as yet.

Mr. and Mrs. David Myers of
Colebrook have a new son, Aaron
David. He was born on Feb. 10 at
the new hospital in Colebrook.

Mrs. Grace Turner is improving
in health and plans to go walking
every day the weather is good.

Two weeks of the six winter ones
from Candemmas Day are gone so
we have some hopes for the future.

Before I joined the Payroll Savings Plan all I could save was string.

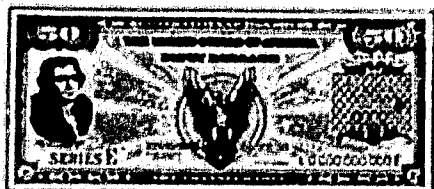

When it comes to saving money, most
of us can use all the help we can get.

Joining the Payroll Savings Plan is
one easy way to force yourself to
save. When you sign up, an amount
you specify is set aside from each
paycheck and used to buy U.S. Sav-
ings Bonds. It's automatic. Every-
thing is done for you.

And now there's a bonus interest
rate on all U.S. Savings Bonds—for
E Bonds, 5 1/2% when held to matu-
rity of 5 years, 10 months (4% the
first year). That extra 1/2%, payable
as a bonus at maturity, applies to all
Bonds issued since June 1, 1970...

with a comparable improvement for
all older Bonds.

Stick with the plan and before you
know it you'll have a bankroll wait-
ing. That's when you'll find you can
do a lot more with money than you
can with string.

Bonds are safe. If lost, stolen, or destroyed,
we replace them. When needed, they can be
cashed at your bank. Tax may be deferred
until redemption. And always remember,
Bonds are a good way to save.

Take stock in America.

Now Bonds pay a bonus at maturity.

WEST BETHEL

Mrs. Lena Gilbert, Corres. —
The church service and Sunday School was cancelled Sunday morning due to bad weather.

There will be a pot luck supper held at the West Bethel Church this Saturday, Feb. 20, at 6:00. Bring a pot and join your friends and neighbors. A collection will be taken. Everyone welcome.

The Ladies Aid met at the Church Vestry on Wednesday of last week. The food auction went very well for a small group attending. Next meeting will be at the Church Vestry on March 10.

Mr. and Mrs. Alanson Cummings who are spending the winter in Florida plan to start for Maine by the middle of March. They went to Cape Kennedy to watch the launching of the space ship when the astronauts started on the trip to the moon. They enjoyed it very much.

Mrs. John Heath and children are spending this week with her parents, Mr. and Mrs. Roland Kneeland.

Mr. and Mrs. William Thurston and three children of Medway, Mass., came Saturday to spend the

week end with Mr. and Mrs. David Head, Jonathan and Jeremy at the Head camp on White Brook. Mr. and Mrs. Arthur Head and Jane joined them for a few hours Sunday afternoon. Mr. and Mrs. Thurston and family returned to Massachusetts Monday.

Mr. and Mrs. Jonathan Stowell returned to Ayer Mass. Monday after spending the week end with relatives.

George Graves of Rockland visited his brother and wife, Mr. and Mrs. Earle Graves Jr. on the week end. Robert Perry and son, Larry, Tom Russell, Allen Graffan, Robert Grannis, all of Portland, are enjoying a vacation and skiing at Mt. Ascutaw this week. They are staying at one of the A frame cabins.

Mrs. Hollis Hutchinson returned home Friday from the Stephens Memorial Hospital, Norway.

Miss Diana Walker and friend, Donald Arquette of Farmington State College spent the week end with her parents, Mr. and Mrs. Richard Walker and family.

Mr. and Mrs. Franklin Burris received a telephone call Wednesday noon, Feb. 10, from their daughter, Margaret, who is a nurse in a Veterans' Hospital in Los Angeles, Cal. She reported several patients from the veteran's hospital that was partly demolished by the earthquake. Also several people injured had been brought to the hospital where she is employed. She had to leave her apartment as it was in the area vacated on account of the dam, but was able to stay with friends until able to return to her apartment.

Mr. and Mrs. William Lofreda and David Cook of Portland spent the week end with Mr. and Mrs. Cleveland Lovejoy and family. The Lofreda's house was broken into while they were away and a penny collection of \$15 or \$20 was taken.

Mr. and Mrs. Robert Gilbert and Andrea and Miss Lee Ann Gilbert spent the week end with their parents returning to Farmington Sunday.

Mrs. James Murphy and sons, Glenn and Wayne, of Brattleboro, Vt., are visiting her mother and husband, Mr. and Mrs. Kenneth Lovejoy. They were overnight guests of Mrs. Lovejoy's sister and husband, Mr. and Mrs. Gerald Gallant in Rumford, Tuesday.

Mr. and Mrs. Cleveland Lovejoy were in Norway Friday.

SUNDAY RIVER

Mrs. R. M. Fleet, Corres. —

R. M. Bean called on R. M. Fleet Friday. It seems our cold weather has frozen up their water supply to the house. Sorry to say it's hard to haul water in snowy weather.

Wallace Brown, our Hawleigh man made his monthly call this week. David Fleet saw some strange tracks in the snow where he works. He could not identify them so thought it might be a coyote. A short time later Joe Roderick saw a strange creature in his field some distance from his house and feels quite sure it is a coyote. If that is it everyone will have to look out for their small pets and the wild life will be haunted badly.

Well, Thursday evening a couple of foot owls were heard calling over the future weather and as they were near the river and broke some thought we were in for warmer and wet weather which we got to the sum of 1.27 inches of rain. So they told the truth.

Mr. and Mrs. Ernest Verrill and children of Concord, Mass., are at the Floyd Verrill place over the holiday.

We learned this week that Steven Verrill had the misfortune to have his eye sight suddenly fall him. We hope a doctor somewhere can find help for him in the near future.

Welcome to the new bride and groom.

BAKER - GIBBS

Mrs. Florence M. Gibbs, formerly of Newbury, Mass., and Romeo A. Baker, formerly of Bethel and Plainfield, N. J., were united in marriage on Jan. 23, 1971. The evening candlelight ceremony was held at the residence of the groom and performed by Rev. Thomas L. Caton, pastor of the West Parish Congregational Church of Bethel.

Randall A. Baker, son of the groom was best man and Miss Jane M. Gibbs, daughter of the bride, was maid of honor, and Miss Jane Baker, daughter of the groom, was bridesmaid.

The bride wore a two piece charcoal Italian knit suit with a white milk hat. She carried a family prayer book adorned with a single white rose.

Following a reception held at the residence of the groom, the couple left for a ski trip to Lac Beauport, Canada, returning home Feb. 6. They will reside on the Sunday River Road, Newry.

SOUTH WOODSTOCK

Mrs. Olive Davis, Corres. —

The Willing Workers met at the West Paris banking room Thursday evening with Barbara Cash and Olive Danforth as co-hostesses. Besides the hostesses there were Patty Whitman, Goldie Mason, and Olive Davis present. The meeting was called to order by the new president, Barbara Cole. Olive Davis read her report on the annual treasury finances and accounts have been turned over to the new treasurer, Olive Danforth. General business was discussed and Bible verses read. Refreshments in abundance were served by Barbara and Olive Danforth. The next meeting is to be held March 11 with Hazel Andrews. The Bible word is Blessings and you'll better be blessed with the verse or else! The program will be on caning chairs.

This news may be of interest to many concerning blood donors for Lester Felt at the Bangor Eastern Maine Medical Center. The call for blood donors was answered by 114 persons, the most the hospital has had for the past six or seven years. Now there are some pints in reserve. A large group from the Maritime Academy are donating for John Pratt who also was in need of blood. Some donors established a family bank of their own in case of need in the future.

Mr. and Mrs. Lerwood Andrews returned home Wednesday evening after enjoying a vacation in Florida. Mr. and Mrs. Leslie Bryant helped Olive Davis' birthday Thursday by spending the afternoon with Mr. and Mrs. Ellis Davis. We had to settle some scores on cards, too, so the afternoon flew by fast.

Here is a little poem that I feel is very appropriate for the times and I think someone else might get a kick out of it, so am sending it along (from Mass. State Grange)

Dedication of the New Suncook School at Lovell Village was held Wednesday evening, February 10.

Guided tours of the new building brought forth exclamations of delight and approval. John Darling, Supt. of the School District, introduced chairmen of different committees, the architects and contractors from the Alonzo Harriman firm, Auburn. Mrs. Hallie Harriman, chairman of the naming committee, gave a most interesting report on the choosing of the name "New Suncook." Both the architects and contractors spoke on the merits of the building and were high in their praise for the cooperation they had received while the building was under construction. A replica of the plaque, which will be forthcoming was presented by the head architect to Charlie Grace, chairman of the building committee on behalf of the District. Mr. Grace accepted with a few well chosen words. Refreshments were served by ladies of the Pequawket Valley School District. Several from this area attended the delightful affair.

Because of the heavy snowfall, there was no school Monday, Feb. 8, in the Pequawket Valley School District No. 72. Fryeburg Academy held one session.

On Tuesday evening, Janet Taylor, and Read Grover, delegates to Dirigo

Girls State and Boys State last summer, were guests of their sponsor, the Frank Shaw Post, American Legion, Fryeburg. A delicious banquet was served at 8:30 p. m. Parents of the young people were guests also.

Miss Cheryl Nelson was on the Dean's List at Fisher College, Boston, for the first semester.

Mrs. Helen Grover was at Fryeburg Academy the past week in Housemother at Payson-Mulford Hall. Craig Millett went to Portland recently for a Civil Service examination.

R. A. VANISHING BREED THE GENERAL PRACTITIONER

Over the years we have seen many old and familiar favorites pass from the scene. Often without comment. Recently we read that although the actual number of physicians had increased in the last five years the number of G.P.'s (General Practitioners) is growing less each year. In twenty years the percentage has dropped from almost 90% of physicians to about 20% and one-fifth of them are over 45 years old.

We will miss seeing and working with physicians who have the grand old label of G.P. Surely it represents progress and more specialized health care, but these dedicated men were part of a time that we look back upon with fond memories of their dedicated service.

"I REMEMBER" BY THE OLD TIMER

From Alfaretta Courtright, Alvin, Texas: I bought some new appliances. They made me reminisce a bit. I remember the old black cook stove. We polished it with stove polish. The polish blacked our hands. The stove blacked our cooking pots. We carried the pots to the ash pile and scoured their bottoms. I remember the brick we shaved to polish yes all that ornate silver plated trim on the stove. I remember the water we pumped to fill the reservoir on the back of the stove the night before wash day. After breakfast on wash day we set the wash boiler on the stove and pumped and carried water to fill that, adding lye which brought a skum to the top as the water heated. This we skimmed off and added lye soap, shaved to bits, of course.

Meantime we dipped the warm water out of the reservoir and/or put it in the wash tub or washer. Either way we then rubbed the clothes through the first suds, beginning with white things, with a rub board if in the tub, by swinging a lever if in a washer. Some of these washers were called "Gee Whizz". Some of my schoolmates claimed they learned to spell Gee Whizz before they even started going to school. After the clothes were rubbed they were put in to boil a while, white ones first, and all else in order of sorting. As each batch was fished out of the boiler with a clothes stick it was rubbed through the second suds; rinsed in bluing water (right away if all two tubs were available)—after all were washed if only one was available. As fast as the starch clothes were finished they were dipped in boiled starch which had been made and cooled and hung on the line till dry. Usually a few everyday things had to hang on the fence if the wash happened to be large. In any case colored things were dried in the shade. When the wash had dried it was carried in and sprinkled down for the next day's ironing.
